

Core Products Catalog Industrial Products

*World Class Products
for Worldwide Solutions*

As one of the most comprehensive suppliers of industrial and packaging products, Intertape Polymer Group (IPG) is uniquely positioned to touch a broad base of customers with specialized solutions. The product solutions engineered by Intertape are designed to create efficiencies, cost containment and performance advantages for the end use markets and applications served by IPG products. The Core Products highlighted in this catalog meet the needs of most widespread industrial applications. To learn more about the complete line of IPG products that range from general to highly specialized, log on to www.intertapepolymer.com.

Paper Masking Tape

Intertape Brand Paper Masking Tapes are designed for superior performance in a variety of applications and environments ranging from demanding temperature and UV sensitive paint masking to general purpose functions such as holding or light duty splicing, bundling and more.

Double-Coated Applications

Golf grip application • Photograph mounting • Carpet installation • Plate mounting

Carton-Sealing Tape

Hot Melt Adhesive Pressure-Sensitive

Intertape Brand Hot Melt Adhesive Carton-Sealing Tapes offer the widest range of application flexibility available. Superior adhesion properties, holding force and tensile strength ensure consistent, reliable seals. Noted for quiet release and easy unwind, IPG's Hot Melt Tape is well suited for automatic case-sealing machines.

Films

Stretch Film

A market leader in technology, IPG manufactures monolayer and 3-layer blown film, both 5 & 7-layer cast films and specialty products on state-of-the-art equipment in ISO Certified facilities.

SuperFlex™ High Performance Films provide significant downgauging opportunities yielding as much as a 30% reduction in the amount of film needed to securely contain a load. In addition to providing a measurable cost savings, the reduction in film consumed means that SuperFlex films are environmentally preferred over conventional films.

StretchFlex™ Stretch Wrap rounds out the Intertape Polymer Group line of films and is designed to meet a variety of stretch wrapping needs.

Complementary Products

iCushion™ Protective Packaging

For years, Intertape Polymer Group has been a trusted source for the products that secure your packages as a leading supplier of carton-sealing tapes and stretch film. It only makes sense that you would also rely on Intertape to protect the contents of your packages. That is why the iCushion™ Protective Packaging line emerged with the fastest Air Pillow System on the market and continues to expand with the addition of Flashpac™ Foam-In-A-Bag Instant Packaging.

AP-800C Inflatable Air Pillow System

- Available in conventional or Oxo-Biodegradable film
- Popular pillow sizes: 8" x 8" and 8" x 12"

Placement of air pillow systems requires customer commitment.

Flashpac Foam-In-A-Bag

Produces instant foam packaging that expands up to 30 times its original size.

Bag sizes: 15" x 18" 18" x 18"
 18" x 24" 20" x 20"

Corporate Profile

Intertape Polymer Group Inc. (IPG) is an acknowledged leader in the packaging industry. Leveraging its advanced manufacturing technologies, extensive research and development capabilities and a comprehensive strategic acquisition program, the company believes it has assembled the broadest and deepest range of products in the industry.

IPG is widely recognized for its development and manufacture of specialized polyolefin, plastic and paper-based packaging products, as well as complementary packaging systems for industrial and retail use. Additionally, IPG is a woven and flexible intermediate bulk container (FIBC) manufacturer. Its performance products, including tapes and cloths, are designed for demanding aerospace, automotive and industrial applications and are sold to a broad range of industrial/specialty distributors, retail stores and large end-users in diverse industries.

Interpack™ Case Sealing Equipment

IPG's Interpack brand of quality case sealers and accessories offers the features and versatility you need with performance you can depend on... all at the most cost-effective price. Our comprehensive equipment line includes case sealers, tape heads, case erectors, standard and special options and custom-built special application machinery.
